West Virginia

Emergency Management Division

ICS-300 Intermediate ICS for Expanding Incidents

Dates: March 3, 4 & 5, 2025 (8:30 am-4:30 pm) <mark>Course #25-415-03</mark>

Location: Hurricane Fire Department

1 Rescue Way

Hurricane, WV 25526

Course is FREE Student materials will be provided; Travel and meals are NOT included. Students are required to bring a laptop for the course materials.

Instructor: Brent Burger

Prerequisites: IS-100, IS-200, IS-700, & IS-800

Description: ICS-300 provides an in-depth focus on the NIMS Incident Command System (ICS) that includes the tools, practices, and procedures that are available in ICS to effectively manage emergency incidents or planned local events at a local Type 3 level. Expanding upon ICS-100 and -200, this course ensures that responders understand the basic ICS concepts that allow an incident management organization to expand and contract as needed to fit the incident and maintain its operational effectiveness.

Registration: Following the guidelines in the attached document using the course number in this posting. Registration closes **February 28, 2025, at 1600 hrs.**

If you have any questions or issues registering, please contact Eva Godbey at
