

# West Virginia Flood Resiliency Public Survey

## About The Project

This survey is being conducted by a team of researchers in partnership with state agencies and community organizations to understand the experiences of West Virginians affected by floods in their communities. All residents of West Virginia age 18 years or older are encouraged to take the survey. The survey can be taken on any computer, tablet, or phone connected to the internet. It can also be taken over the phone by calling (304) 900-0101. After completion of the survey, participants will have the option to enter a raffle for a **\$250 gift card**. The survey will close on March 31st, 2024.
