FEMA Public Assistance Program

Assistance for Governments and Private Non-Profits

FEMA Public Assistance (PA) helps state, local, tribal, and territorial governments and certain types of private nonprofit organizations respond to and recover from major disasters or emergencies.

FEMA Individual Assistance Program

Assistance for Private Individuals and Households

FEMA Individual Assistance (IA) provides financial and direct services to eligible individuals and households affected by a disaster, who have uninsured or underinsured necessary expenses and serious needs. While FEMA IA does not cover businesses, we encourage businesses to fill out the survey. This information will be passed along to the Small Business Administration (SBA).
